A Poem For Noel

Your smiling face
Your warm embrace
Your caring and gentle touch

Your laughter
Your jokes
Your kindness and strength
Is what I will miss the most?

I know you are here Running somewhere Or floating on a boat But, I wish you were near So I could hold you dear And tell you I love you so

Now that you're gone You can send us a song That everybody will hear

It may bring some tears
But you will be remembered for years
So if somebody says your name; Noel
We can look up and say
You were here for Graduation
And celebrated this day!

ADMINISTRATION

Sheila A. Herbert - Superintendent - Director Superintendent's Message

ongratulations to the Class of 2002. Over the past four years, you have worked and studied and now you are ready to begin your lives as members of the adult community. You are about to become involved with a new life, hopefully a life full of discovery and career fulfillment.

Remember as you pursue your personal and professional goals, that failure or success will now largely depend upon you. Your teachers, guidance counselors, advisors and coaches will no longer be there to provide the encouragement and understanding that was needed from time to time. Whatever your future holds, it is my sincere hope that you will look back on your years at Greater Lowell Technical High School as years that have prepared you properly to meet and deal with the challenges that life will present.

On behalf of the faculty and staff at Greater Lowell Technical High School, I wish you success and happiness in all your future endeavors.

Sincerely,

Sheila A. Herbert Superintendent-Director

Wood, William 466 Riverside St. Dracut, MA A message from the Yearbook Advisor,

I would like to thank Mrs. Lappin's Information Processing class for compiling the class will, addresses, and write ups. A special thank-you to Keri Freeman, Courtney Dubay, and Nicolle Silva. Congratulations to Donna Bickerstaffe for her outstanding cover design, and to all the graphic arts students who worked so hard on their cover designs. Once again I am deeply indebted to Dominic Ierardi, his generous support was greatly appreciated. Thank you again.

And finally, my wish for the new graduates is that you use this book often. It is your book of memories. Memories of friends, classmates, faculty and staff. All of whom you are deeply indebted for making the road to your future a smoother one.

Follow your hearts, Peggy Sarmento Yearbook Advisor
